

V-clamps 35-300 SW-B

FEATURES & BENEFITS

- ☒ clamps for mounting with SM, SE, RM, RE profile conductors
- ☒ cables with multi-wire conductors can be connected directly
- ☒ body made of aluminium alloy

Article	Cross-section of conductors [mm ²]				Dimension [mm]				Tightening torque	Article No.
	re 	se 	rm 	sm 	width A [mm]	height B [mm]	depth C [mm]	height D [mm]		
35-300 SW-B	35-240	35-300	35-185	35-240	35	49	23	73	30 Nm	1119510081T

	35-300 SW-B
housing	high strength AL-alloy (AlMgSi)
clamp	steel zinc-plated
screw	steel zinc-plated

Application

connecting single cores of Al and Cu cables, round and sector-shaped, 90° and 120° types.
